After spending a year at the top step of a channel, teachers will be moved "Off Schedule" to a longevity step. A teacher's first year placement off schedule will place them in a "class" with other teachers also reaching that step that year (consider it being the class of '05, '06, '07, etc.) Longevity steps will be identified by the year in which the teachers entered that step. For example, teachers entering the longevity step during the 2003-2004 school year would be placed on step L 04, those in 2004-2005 as L 05, etc. Teachers will remain in that "class" and on the same "L" step as long as they are placed on that channel. In the event that a teacher on the BA or BA + 15 channel earns National Board Certification or accrues sufficient graduate credit for a channel change, the teacher will revert back to the last step on their channel and will move horizontally one channel and vertically one step. If the salary at the resulting new step is less than the salary on the teacher's previous longevity step, the teacher will be advanced the minimum number of steps needed to result in an increased salary for the teacher. From that point, the teacher will resume advancement at the rate of one step for each full time year of experience.
